51. Castaway

280pp

Samuel, the keeper of this diary, is 13 when he signs on as a cabin boy aboard a vessel bound for Sydney. The barque Dundonald founders and sinks off Disappointment Island (part of the Auckland Islands group) in the ocean south of New Zealand on 6 March, 1907. Fifteen survivors endure a harsh winter on this remote island until their rescue in late November that year. Based on the amazing true story of an actual shipwreck. Though Samuel Clark is a fictional character, the other survivors are all based on real people. This is a vivid account of life in the past.

52. Horizon

256pp

When a plane crash-lands in the arctic, eight young survivors step from the wreckage expecting to see nothing but ice and snow. Instead they find themselves lost in a strange jungle with no way to get home and little hope of rescue. Food is running out. Water is scarce. And the jungle is full of threats unlike anything the survivors have ever seen before, from razor-beaked shredder birds to carnivorous vines and much, much worse. With danger at every turn, these eight kids must learn to work together to survive. But cliques and rivalries threaten to tear them apart. And not everyone will make it out of the jungle alive.

"This harrowing tale of supernatural suspense kicks off a new series from the visionary mind of #1 New York Times bestselling author Scott Westerfeld" - Amazon.com

53. The Amber Spyglass

544pp

"We're going to the land of the dead and we're going to come back". Will and Lyra, whose fates are bound together by powers beyond their own worlds, have been violently separated. But they must find each other, for ahead of them lies the greatest war that has ever been and a journey to a dark place from which no one has ever returned.

The third volume in Philip Pullman's incredible HIS DARK MATERIALS trilogy. First published in 1995, and acclaimed as a modern masterpiece, it won the UK's top awards for children's literature.

54. The Scorch Trials

384pp

Solving the Maze was supposed to be the end. No more puzzles. And no more running. Thomas was sure that escaping meant he would get his life back. But no one knew what sort of life they were going back to. Burned and baked, the earth is a wasteland, its people driven mad by an infection known as the Flare. Instead of freedom, Thomas faces another trial. He must cross the Scorch to once again save himself and his friends. The pulse-pounding sequel to The Maze Runner.

"A mysterious survival saga that passionate fans describe as a fusion of Lord of the Flies, The Hunger Games and Lost" - EW.com

"Heart pounding to the very last moment" - Kirkus Reviews

#1 New York Times Bestselling Series

USA Today Bestseller

Kirkus Reviews Best Teen Book of the Year

55. Black Widow: Forever Red

416pp

Enter the world of the Avengers' iconic master spy. Ava is just trying to fit in as an average Brooklyn teenager, but her life has been anything but average. The daughter of a missing quantum physicist, Ava was once part of a top secret Russian military experiment until she was rescued by Black Widow. Ava has always longed to reconnect with her mysterious saviour, but Black Widow isn't really the big sister type. Until now. When children all over Eastern Europe begin to go missing, Natasha suspects her old teacher has returned. To defeat the madman who threatens their future, Natasha and Ava must both unravel their pasts.

"Black Widow: Forever Red features all the heart-pounding adventure readers expect from Marvel, written by #1 New York Times best-selling author Margaret Stohl. Uncover a new side of the Marvel Universe that will thrill loyal fans and newcomers alike, as Stohl reveals the untold story of Black Widow for the very first time" - Amazon.com

56. Feeding Frenzy

224pp

A long time has passed since anyone heard from Dr. Catalyst. Emmet Doyle and his best friend, Calvin, have even begun to think that the crazed environmentalist might be gone for good. But while taking a day trip to snorkel off the Florida Keys, Emmet and Calvin have a dangerous run-in with a very strange-looking and aggressive barracuda. Dr. Catalyst is back and he's introduced a new super-predator into the waters. This time he's out for revenge.

"Easy to read short action-packed chapters, terrifying encounters with hybrid gator monsters, crazy escapes and plenty of science. The author effortlessly weaves themes of starting over somewhere new and eco-terrorism into the plotline" - michaelspadlin.com
