54. All the Pieces of Me

368pp

Year 9 can be tough for everyone, but for Tally it feels even tougher. Everything seems to be changing as she and her friends get older. Make-up, boys, social media, GCSE prep. Why is it all starting to feel so different? Tally has always known that being autistic means some things are harder for her than they are for other people. But becoming a teenager has left Tally feeling like she has no idea who she even is anymore.

"Thoughtful, funny, touching and convincing, this book about loyalty, family, friendship, making difficult choices and finding your voice. It also subtly shares some powerful messages about neurodiversity, the good and bad facets of social media and learning that 'not-good friends' are not really 'friends' at all." - booktrust.org.uk

TOO MANY BOOKS TO CHOOSE FROM?

Need help choosing a book you're actually interested in?
Here's some information about some of the book series you can choose.

1 Thea Stilton

A good choice if you like books that have some mystery and adventure

Thea Stilton is a special correspondent for The Rodent's Gazette, Mouse Island's most famous newspaper. A graduate of Mouseford Academy, Thea loves traveling and adventures. **'Thea Stilton and the Cave of Stars'** is the latest book and the Thea Sisters are in New Zealand as their friend Charlotte wants to show them around and introduce them to Didi, a skeleton of a bird that went extinct many years ago. But when they get to the mouseum, Didi has gone missing! Can they find the stolen skeleton before it is too late?

2 Learn About

A good choice if you like learning about animals and how they were discovered.

Did you know scientists discover thousands of new species every year? Some are even named after things in popular culture like the Wakanda fish (Black Panther) and the Salazar's pit viper (Harry Potter). This new set of Learn About books gives readers a close-up look into five of the most fascinating new species of amphibians, fish, mammals, and reptiles that have been found on Earth in the past few years. Each book explores how, where, and when they were found, along with their habitat, diet, and survival skills. Packed with photographs and fun facts, readers will learn all about these exciting new species in the natural world.

3 Worst Week Ever!

Great for older readers.

Justin is having the worst week EVER! Against all odds, he's somehow survived the trials of Monday, Tuesday, Wednesday and Thursday. But now ... it's Friday! Just when Justin thinks his week can't get any worse, he's plunged to a new, all-time low. We're talking subterranean levels. The actual pits. An abysmal abyss.

4 The Puppy Place

Great if you love dogs and puppies.

Welcome to the Puppy Place! Where every puppy finds a home. Charles and Lizzie Peterson love puppies. Their family fosters these young dogs, giving them love and proper care, until they can find the perfect forever home. There are 67 books in this series so far!

Scruffy - when Charles and Lizzy find Scruffy stuck in a fence at a scary old house, they aren't sure if she's lost or been abandoned. Either way, Scruffy has learned that smiling at humans always gets her what she wants... and soon so does the rest of the world. When she hits social media, Scruffy goes viral, getting her tons of attention and many possible homes. Maybe even too many!

5 I Survived

Great if you like learning about major things that have happened in the past.

Each book in the series tells a terrifying and thrilling story from history, through the eyes of a kid who lived to tell the tale. **The Great Alaska Earthquake of 1964** happened 60 years ago in Alaska in North America and was a massive 9.2 magnitude quake that lasted nearly five minutes, destroying downtown Anchorage and sending 30-foot tsunamis into coastal communities. It was so big its vibrations were felt around the world.

6 The Bad Guys

Great if you like Dog Man and Captain Underpants.

Introducing the baddest bunch of do-gooders in town — Mr. Wolf, Mr. Piranha, Mr. Snake, and Mr. Shark. Whether they're breaking 200 dogs free from the Maximum Security City Dog Pound or saving the world from Dr. Marmalade's meowing monsters, these "bad guys" are unforgettable and you'll enjoy following the heroes on their epic adventures in these hilarious and action-packed graphic novels.

7 Legends of Lotus Island

Great if you like fantasy series about animals, magic, and kids embracing their power to change the world.

In the first book of the series, Plum is shocked to discover that she's been accepted to the Guardian Academy on Lotus Island, an elite school where kids learn how to transform into Guardians, magical creatures who are sworn to protect the natural world. The Guardian masters teach Plum and her friends how to communicate with animals and how to use meditation to strengthen their minds and bodies. All the kids also learn to fight, so they can protect the defenseless if needed.

To her dismay, Plum struggles at school. While her classmates begin to transform into amazing creatures, Plum can't even seem to magic up a single feather! If she can't embrace her inner animal form soon, she'll have to leave school — and lose the first group of real friends she's ever known.

8 The Whispering Pines

Good for older readers who want something new to read and like mystery/horror/graphic novels.

Welcome to the EXIT 13 Motel! Pets welcome! And don't worry, we've been waiting for you, so stay as long as you like. With black-and-white comic pages throughout, **EXIT 13** is perfect for mystery and horror loving kids everywhere!

The McGinns were supposed to be going on a perfectly normal family vacation. But when the family decides to make an unplanned stop one night, it quickly becomes clear that this family vacation is about to get more than a little weird, because there is nothing normal about the EXIT 13 Motel.

Rooms and hallways that don't go where they're supposed to, a receptionist that looks like he came straight out of a horror movie, and creepy woods that Ash swears have some kind of monster lurking in them — maybe even more than one. Something has been going on ever since the McGinns checked in to this motel, and if Ash and Willow can't get to the bottom of it, they might never be able to check out.
