75. Linked

256pp
A hate crime shakes up a small town and puts three friends on high alert!

Books especially chosen for ADVANCED, MATURE READERS

76. Heroes

272pp

December 6, 1941: Best friends Frank and Stanley have it good. Their dads are Navy pilots stationed at Pearl Harbor in Hawaii and the boys get a front-row view of the huge battleships and the sparkling water. Yes, World War II is raging in Europe and in Asia, but the US isn't involved in the war and the boys are free to dream about becoming comic book creators.

December 7th, 1941: Everything explodes. That morning, Frank and Stanley are aboard the battleship the USS Utah when Japanese planes zoom overhead and begin dropping bombs on the ships below. Chaos ensues as everyone scrambles to dive for safety. Frank and Stanley realise what's happening: Japan is attacking America! The war has come to them. As the boys fight to make their way home amidst the carnage, it's clear that everything has changed. Stanley's mother is Japanese-American and he is suddenly facing a terrible prejudice that he's never known before, he's now seen as the 'enemy,' and Frank, who's white, cannot begin to understand what Stanley will now face. Can their friendship and their dreams survive this watershed moment in history?

"Told with the immediacy, high-stakes action, and inventive storytelling that make Alan Gratz (Refugee, Ground Zero) one of today's biggest authors, this riveting look at the attack on Pearl Harbor explores themes of prejudice, power, and what it truly means to be a hero." - amazon.com

77. The King's Nightingale

480pp

An epic fantasy set in a land of sultans and kings, sumptuous palaces...and slave markets. When Elowen and her brother are seized by pirates and sold, separately, in the slave market of a distant land, Elowen's enduring resolve is to escape, rescue her brother and return home. Sold to a desert ruler who admires her sublime voice, Elowen is given the title of the King's Nightingale. Honoured by the king, and loved by his scribe, Elowen lives a life of luxury, until she makes a fateful mistake and finds herself sold to a less charitable master.

"A compelling story of oppression, racism, gender equality, love and loyalty." - kiwireviews.nz

78. The Winter Soldier: Cold Front

416pp

Marvel

1954: The Winter Soldier is the Soviet Union's greatest weapon. Assigned the most dangerous covert missions from the USSR's secret military branch, and guided by a handler who knows him better than he knows himself, he has only one purpose: to obey orders. But he wasn't always the Winter Soldier...

1941: As World War II begins, sixteen-year-old Bucky Barnes is determined to enlist in the US army, if only the local commander will stop getting in his way. When Bucky is offered enrolment in a training program with the British Special Operations Executive, the UK's secret service, he leaps at the chance to become a hero. But Bucky has hardly touched down in London when he finds himself running from a mysterious assassin. She's in possession of a secret every side is desperate to get their hands on. If only they knew what it was. Decades later, the Winter Soldier struggles to solve the same mystery Bucky is just beginning to uncover. As their missions intersect across time, their lives collide too, in a way that neither of them would have expected, and that will change the course of their respective wars.

"Hands down, amazing character with an amazing story, with an amazing narrator and story telling to boot!" - barnesandnoble.com

79. The Peak

288pp

Spy Academy

After thwarting a robbery, Nolan Hawker is invited to the world's most dangerous school. At The Peak, he learns to crack codes, fly planes and deceive enemies so he can someday infiltrate the deadly anarchist group known as Swarm. But someone at the Peak secretly works for Swarm, and they have a plan, the kind no one walks away from. Can Nolan find the traitor before it's too late?

"Lots of suspense and fast paced action as is typical of Jack Heath's stories. The Peak does not disappoint." - goodreads.com

80. Uprising

384pp

Twelve-year-old Lidia is outside her grandfather's house when planes fly overhead, bearing the Nazi cross on each wing. Before the bombs hit the ground, Lidia realises her life is about to change forever. Poland has fallen under German occupation, and her father makes the brave decision to join the Polish army to fight against the Nazis. Lidia wants to follow him into war, but she's far too young, and she's needed by her mother and brother. After her family returns to Warsaw, where life has changed irrevocably, Lidia wants to aid the Jewish people held captive in the Warsaw Ghetto, so she begins to smuggle wheat and food into the ghetto. Still, she feels like she could be doing so much more. After her brother joins the resistance, Lidia wants only to follow in his footsteps. Soon, she begins to work as a courier, smuggling weapons and messages for the resistance throughout the city. Life will continue to surprise Lidia, as she and the resistance fighters do their best to defeat the German soldiers. No matter the consequences, they're willing to defend their freedom and their homes from the Nazi invaders, even with their lives.

"New York Times bestselling author, Jennifer A. Nielsen inspires readers with a brand-new thriller based on the remarkable true story of a young Polish girl who bravely fought, participating in the Warsaw city uprising, and took a stand in the name of freedom." - amazon.com

81. Controlled Burn

256pp

Twelve-year-old Maia's parents say she's lucky she noticed something as early as she did. Lucky to have smelled the smoke, lucky to have pulled her sister, Amelia, out of their burning house. But is it really "lucky" when Amelia's stuck in the hospital, covered in burns? And is it "lucky" when Maia knows it was her candle, left unattended, that started the fire in the first place? When she's sent to spend the summer with her grandparents in Northern Minnesota while her sister heals, Maia discovers that her anxieties and demons are intent on following her wherever she goes...unless she can figure out how to overcome them. But what if she can't? Maia will soon learn that nature is a powerful teacher, and sometimes our greatest strengths show themselves when we have to be there for someone else. As she begins to figure out how to face her guilt and paralyzing fears, she'll discover there's a fine line between fear and adventure. And when danger strikes again, Maia must summon all her bravery and overcome her self-doubt if she wants to save those she loves most.

"The characters, the setting, and the plot are all captivating and memorable. This book is exciting, heartwarming and sensitive. Maia struggles with worry and guilt but finds a way to overcome both as she connects with family and nature. It's an adventure you don't want to miss." - amazon.com

DO YOU LOVE DUFFY?

Then you might like our
very *first* graphic novel
'Duffy and the Bullies'!

There's bullying at school, Ashlee is picking on the lonely 11-year-old Marama. Into the fray steps Duffy, the reading super hero and captain of the school rugby team. Can Duffy bring Ashlee and Marama together with his story of ghosts and ghouls? Duffy and the Bullies is based on one of the Duffy Theatre shows, Duffy and the Cloak Bay Bully.

You can get your very own copy by
ordering it in this book offer –
it's book 55 on page 6.

Congratulations to the winners of our competition from the last book offer. We really enjoyed hearing what happens to your Duffy books when they go home to you. It was **REALLY** hard for us to choose as we got **SO MANY** entries (hundreds of them), but the winners, who've each received a \$50 Prezzy card, are:
