OUR MISSION

We will achieve our vision by:

- reaching out to an ever-widening range of children and communities
- developing our programmes to meet the specific needs and aspirations of our diverse communities
- developing an interlinked network of people and organisations to collaborate on how to best meet the needs of our students and their communities
- constantly keeping our vision, mission and values at 'top of mind'

THE SCHOOL'S COMMITMENT

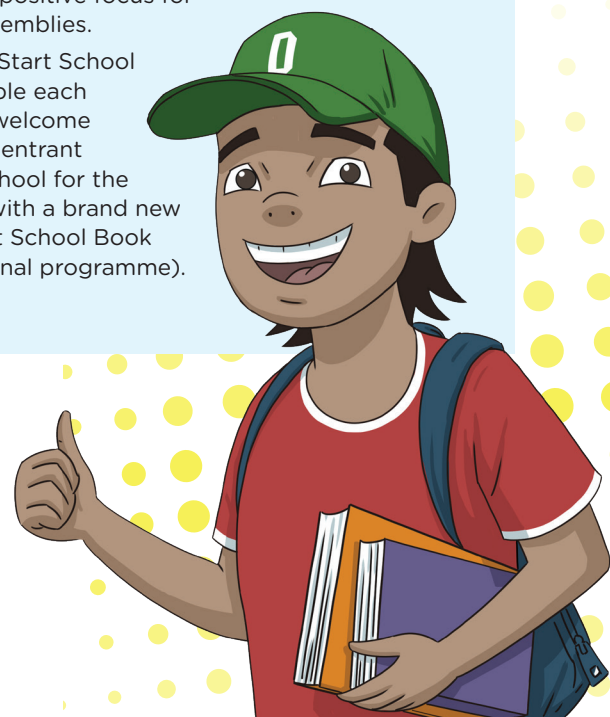

- To commit funds from either your Annual Operations Grant or from community sources such as your own sponsors to meet your school's 50% share of the cost of *Caught Being Good* books and certificates, Duffy book labels, four books per year for each of your students and the administration fee. The Ministry of Education covers cost of two additional books for each student at no cost to the school'
- Your school will be invoiced twice yearly.
- If your Equity Index number is below 471, we can work with you to review eligibility.
- If your school withdraws from the Duffy Books in Homes programme less than a month before the last day of Terms Two or Four, your school may be responsible to pay for all printing materials e.g. labels and certificates that have already been distributed.

THE FUNDING PARTNER COMMITMENT

- Duffy Books in Homes finds a funding partner to provide 50% of the cost of your *Caught Being Good* books and certificates, Duffy book labels, and four books per year for each of your students.

- Every child at your school chooses six brand new books each year which they get to take home and keep.
- Additional books and certificates are provided through the Caught Being Good initiative at a ratio of one book per 30 pupils per school week (or 40 books per year if your roll is under 30), creating a positive focus for weekly assemblies.
